

HAMILTON THIRD AGE LEARNING

Continuing with the theme of 'Understanding the 21st Century'

We are pleased to inform you that our Spring 2015 series of lectures will commence on April 10th.

Friday mornings 10-12 This is a 45 minute presentation, followed by coffee break, then question and answer period

McMaster Innovation Centre --175 Longwood Ave. Hamilton

We feature six lectures on the health care system, ballet, the auto industry, Hamilton, robotic surgery, and income inequality.

The details of the programme are posted on our website www.htal.ca

On-line registration will open at 9am, Monday, November 24th, 2014.

Our seating capacity is limited so early registration is suggested.

The registration fee for the six lectures will be \$50 per person which includes parking

Payment may be made by cheque or on-line using PayPal or credit card (Visa, MasterCard, Amex). Parking at the McMaster Innovation Park, Lot 5, will be free.
